

# WEIGHT RECEIPT GUIDE

## Documenting Diversion Credit

This Weight Receipt Guide provides an understanding of project receipts and documenting diversion credit.

**IMPORTANT REMINDER!** The final hold on your permit is subject to the review and approval of the project weight/volume tickets. All tickets **must** clearly display the material type, amount (tonnage) diverted or disposed, facility location, and date.

**Failure to submit the weight/volume tickets may result in a delay of your final inspection and/or a shortfall penalty of \$200 per shortfall ton.**
