Use of Valet Services at a Multifamily Property - Confirmation Form

Pursuant to [Sacramento County Code \(SCC\) 6.20.430](#), all multifamily properties must (1) subscribe to a level of garbage, recycling, and organics collection service that adequately meets the property’s needs and (2) place recycling containers and organics containers in a location or locations at least as convenient to tenants as the garbage containers.

If the valet picks up garbage, recyclables, and organic material for all tenants (as a mandatory service), then the multifamily property meets the container accessibility standards outlined above. If it is determined that accessibility standards are met, this form will remain valid for five (5) years. Please retain a physical copy of the signed form on-site for inspections.

Property Name: _____ **Address:** _____

Name: _____ **Title:** _____

Additional Details:

I understand that if valet services are no longer offered as a mandatory service to tenants, I must:

1. Ensure the above referenced multifamily property (1) subscribes to a level of garbage, recycling, and organics collection service that adequately meets the property’s needs and (2) places recycling containers and organics containers in a location or locations at least as convenient to tenants as the garbage containers.
2. Notify Department of Waste Management and Recycling’s Commercial Compliance Team of this change by emailing CommercialWaste@SacCounty.gov.
